 ShowMeTheParts

Now customers find your parts faster

ShowMeTheParts.com is a powerful online database enabling your customers to find the right part – the most profitable part – in record time. It gives customers one-click access to ACES data for the most popular brands and fastest-moving part numbers covering millions of vehicle applications.

With ShowMeTheParts.com, you can:

- Deliver accurate ACES data in a flash, without additional software, licensing fees or IT staff, with a branded interface tailored to your business
- Make changes easily, quickly, as often as needed
- Reach thousands of visitors each day
- Offer 24/7 access to your product, application and part number information including images, part attributes and more
- Attract new customers and drive them to your website for more information
- Eliminate lost sales opportunities and increase inventory turns
- Use our unique XML-LINK utility to integrate ShowMeTheParts.com for your own website or shop management system
- Create microsites or add functionality unique to your company, product category or market niche
- Offer value-added services such as access to automotive repair and maintenance solutions from Chilton® and MOTOR™

ShowMeTheParts.com is backed by Vertical Development – a team of professionals with over 20 years of experience in database management

for the automotive aftermarket. From planning to delivery, we'll work with you one-on-one so you can make the transition from a paper-driven to paperless system quickly, effortlessly.

Find out how ShowMeTheParts.com can get your catalogs onto the Internet, helping you increase sales, profits and customer satisfaction beyond your wildest dreams. Quickly. Accurately. Cost effectively.
